

WBTD/A Aluminium Metro Wide Bench (2.0m to 6.0m)
WBTD/T Timber and aluminium Metro Wide Bench (2.0m to 4.0m)

WBTD Metro Wide Bench

The WBTD Metro Wide Bench is a robust unit manufactured from *corrosion resistant aluminium* with *stainless steel fixings*.

The *modular* design allows up to 4.0m in continuous *select grade hardwood ecotimber* planking and up to 6.0m in clear anodised extruded aluminium planking.

Options include *edge guards* for deterring skateboard damage.

Various *mounting options* are available. The Metro wide bench can also be provided as a *mitred assembly* to suit both internal or external layouts.
